Ready Set Go!

Dear Parents

Beginning school is an important time for every child and their parents. At Elwood Primary School we believe that the best way to choose the right school for your child is to visit the classrooms, immerse yourself in the environment, and see first hand the routines that operate and the relationships that exist between teachers and students.

During Education Week we launch our Prep Transition program 'Ready Set Go!'. The program is open to all preschoolers and will be held on nominated Friday afternoons. In addition to the sessions listed on the opposite page, there is also two Parent Information sessions (Part 1 & 2) see opposite.

Please refer opposite to 2009 "Ready Set Go" details for times and dates. Registration is essential to secure a place in the program. Full school enrolment** is essential to continue in the RSG program in Terms 3 & 4.

**RSG registration is completely separate to school enrolment - see the school office for an Elwood Primary School enrolment form.

If you are interested in registering for our "Ready Set Go" program please complete the slip below and forward to the school as soon as possible. As soon as we have received your expression of interest we will be able to forward to you further information about forthcoming special events. A copy of our fortnightly Newsletter will be available at each *Ready Set Go!* Session or visit www.elwoodprimary.vic.edu.au to keep you up to date with what's happening at EPS.

We are committed to building a strong and productive educational partnership with all our parents.

Rhonda Holt

Principal

Ready Set Go!

at Elwood Primary School

Yes, I want to register my child for RSG!

Child's Name: _____ DOB: _____

Current Pre School /Childcare Centre: _____
