Market News

Please note Grades 1C, 1D, 1J, 1K, 1RT and 1S are rostered on for the next market to be held on **Saturday 5 August** in Term 3.

Class reps will be making contact with parents in their respective classes to take part in the community spirit and help the school with its fundraising by signing on to volunteer at the market, and/or by producing cakes and other goods for the cake stall. If you would like to volunteer, please go to

Elwood Community Market Committee

Trivia Night

What an amazing night! There were 420 people in attendance with approximately \$30,000 raised. This money has paid for 6 Prep interactive whiteboards and made the Prep teachers and students very happy.

Congratulations to Barb, Julie, Kate, Nicole, Sue & Tania for an amazing job organising such a successful community event. To have a group of parents so committed to making EPS an even better place is very much appreciated by me and the staff. You all spent so many hours making sure it all ran smoothly and that everybody enjoyed themselves.

I am presenting at a state-wide conference next week on 'Parent Connectedness to School' among other topics and will be highlighting our parent community and their exceptional involvement in many aspects of our school. Once again we are the envy of many other schools.

Sundial Ceremony

I had the pleasure of attending the opening ceremony for the community sundial which is situated next to the canal at the back of our school park.

Celeste Walters donated the sundial to the children of Elwood and has a strong connection to the area. Celeste is a teacher, university lecturer and author who has taught at Elwood PS, and her grandchildren Lizzie and Alistair also attended the school.

Please take the opportunity to visit the sundial and marvel at times past.

Cross Country Superstar

We have a cross-country superstar at Elwood PS. Jones G 5J finished 2nd in the Victorian Cross Country Championships and has been selected to represent Victoria in the national championships in August. We wish him all the best at the National Championships.

"I think school cross-country is a great idea because sometimes people do not know if they are good at it or not. If you place, you go to districts, then divisions, then regionals, then state and finally nationals. Leading up to nationals you represent your school in various events. I have just placed 2nd in states and will be running for Victoria in Hobart in August. After you finish racing it is an amazing feeling and even better if you make it to the next level."

Commemorative Paving Brick Orders extended until 28 October

To mark the centenary of Elwood Primary School, commemorative paving bricks are available for purchase. To be a part of history, order your pavers now through QKR. Families can order pavers inscribed with student and family names which will be used to pave the area near the entrance to the hall. They will be there for the next 100 years and will be a permanent reminder of your time at Elwood Primary School. Order through QKR or the school office. Additional forms are available on the school website. The final date to order has been extended to the Open Day in October to give more past students an opportunity to order.
