Reminder : Parent Opinion Survey

Only 54 parents have completed the annual survey offered by the Department of Education. If you are one of the randomly selected families we ask that you please complete the survey as soon as possible. The survey is conducted online and only takes 15 minutes to complete. All responses are anonymous. The survey is designed to assist us in gaining an understanding of your perceptions of school climate, student behaviour and student engagement. We use the survey results to help inform and direct future planning and improvement strategies. The Survey will run until 26 August. It can be accessed via desktop, laptop, tablet or mobile through a secure online portal. We thank you in advance for your participation.
