Dear Parents

End of Term

Another term draws to a close in our centenary year at Elwood Primary School. We have had an exciting and fully packed year so far with lots more activities and learning to come.

Term 3 brings our concert at the Palais, Asia Week celebrations, Grade 5 & 6 Camps, Grade 2 Sleepover and lots of exciting learning.

To families leaving EPS at the end of this term, we wish you well. Remember you will always be part of the Elwood community.

I hope that everyone has a relaxing and fun break and arrives back at EPS safe and well to start Term 3. I will be travelling to the USA to present at a conference and do some writing with my colleague George Otero. I will once again be able to highlight the amazing things we do at EPS and the philosophy that drives our school which includes personalised curriculum, parent connectedness, community involvement and enhanced afterschool learning.

100th Birthday Celebrations

Wednesday 28 June marked the 100th birthday at Elwood PS. Students and staff dressed as notable people from the past or someone from 100 years ago. The school was filled with excitement which culminated at our special assembly when our time capsule was filled, we sang happy birthday and Jenny Zimbachs told some stories about days gone by at Elwood PS. The Leader was present and took photographs for the local newspaper.

Commemorative Paving Bricks

To mark the centenary of Elwood Primary School, commemorative paving bricks are available to purchase. There are two options so to be a part of history, order your pavers now through QKR.

Families can order pavers inscribed with student and family names which will be used to pave the area near the entrance to the hall. They will be there for the next 100 years and will be a permanent reminder of your time at Elwood Primary School.

Reports

Reports will be sent home on Friday afternoon with student.s The reports will give you an accurate picture of your child's learning as well as future goals. Please take the time to read the report and then discuss it with your child. A big thank you to all staff for the many hours taken to complete each report which are predominately written at home and can take up to 40 hours to complete.

Gardens

The garden project is progressing well with the amphitheatre in front of the music room completed, three flagpoles erected and paving commenced. When we return from the Term 2 break the project should be almost complete. A big thank you to our market committee as this project is fully funded with the market funds from 2017.

Staffing

Rebecca Hoban from 1RT completed her last day at EPS this week before the birth of her second child. On behalf of our community, I would like to thank her for all her hard work in 1RT and wish her all the best for the future. Peta MacGregor will be taking over from Rebecca and will commence on day one of Term 3.

Leyna Parkes will return at the start of Term 3 for two days a week, a day of Art and a day of PE. Leyna will take over the role from Sarah Galbraith.
