## AFTERSCHOOL YOGA & MEDITATION . TERM 2 EPS WELLNESS SPACE . WEDNESDAYS

Each week we will embark on a yoga journey incorporating breathing, mindful movement & poses to activate the chakras (energy centres) in the body plus learn how to meditate and quieten the mind. Classes will be fun (including games) yet focussed, energised yet relaxing, as yoga is about bringing balance back to the body and mind.

Research has shown that yoga can improve focus, memory and self-esteem, and even reduce anxiety and help to settle the nervous system.

**'Changing the World one mini-mind at a time!'**

Claire is a passionate kids yoga and meditation teacher and mum to two of her own Young Yogis. She became a yoga enthusiast after becoming a parent and found these to be such powerful tools to help alleviate stress and to stay healthy in both body and mind that she decided she just had to pass them onto future generations. Hence, she qualified to teach with Rainbow Kids Yoga in 2016 and has loved spreading the joy of yoga and meditation ever since!

Starting on 30th April 3.45-5pm for 10 weeks. \$250 per term
