

Dear Prep students,

Here at Elwood Primary School we support the right of all members of the school community to be part of a safe, inclusive and supportive learning environment.

Elwood Primary School promises to:

- Teach you how to be safe and responsible;
- Raise your awareness of issues such as online privacy, intellectual property and copyright;
- Supervise and support you when using digital technologies;
- Respond to issues or incidents that happen;
- Not share your personal information for non-school purposes or without permission;
- Provide access to digital learning tools, activities, games and programs;
- Help your families to understand safe and responsible use of digital technologies, potential issues and the things that they can do at home to support you;
- Give your parents a copy of this agreement; and
- Share other information with your families from both the Department of Education and Training and Cybersmart:
 - [Bullystoppers Interactive Learning Modules - parents](http://www.education.vic.gov.au/about/programs/bullystoppers/Pages/parentmodules.aspx)
(www.education.vic.gov.au/about/programs/bullystoppers/Pages/parentmodules.aspx)
 - Office of the eSafety Commissioner (<https://www.esafety.gov.au/>)

Don't forget to enjoy using technology too 😊

I promise to not share my private information online.

Private information means:

- My name
- My photo
- My birthday
- My address
- My phone number
- My login for the school computers

I promise to look after myself and others.

This means that I will:

- Only use technology when a grown up is near by
- I will take care of technology
- If I see something that I don't like I will tell a grown up straight away
- If someone else has seen something that makes them upset, I will tell a grownup straight away

Please only colour in the smiley faces when you have talked to your families about these things 😊
