Environment/Grounds Sub Committee

Nicole will do reports for the rest of this year as Jay is no longer on school council but will be on the subcommittee.

- Successful with grant for shade sails. It is an all-weather shade and will be positioned over the yarning circle.
- Work has been done to the posts adjusting the height so that the shade sails in front of the building can go back up.
- Mel and Frank finalising paperwork for a grant for a lift.
- Frank has received quotes for automated doors that are reasonable.

- Market money is ear marked for the area in from of the POD.
 - Levelling out the ground
 - Replacing ground under money bars.

Moved: Jeremy

Second: Andrea

Community Engagement

Shelley selling tickets for the Big Night Out and sales seem to be tracking well.

Heather Frew has taken on Parent and Friends Committee.

An email address has been created for P&F so it can be passed on each year.
