2024 Parent Payment Arrangements - Prep

October 2023

Dear Prep 2024 Families,

Elwood Primary School is planning and busily organising a great year of teaching and learning and would like to advise you of Elwood Primary School's voluntary financial contributions for 2024.

All Government Schools provide students with free instruction to fulfil the basics of the Victorian Curriculum and accordingly all contributions are voluntary.

Nevertheless, the ongoing financial support and commitment from our families ensures that our school can offer the best possible education beyond the basic Victorian Curriculum. We want to thank you in advance for all your financial support and for your family payment. This makes a huge difference to our school; the quality of programs we can offer, the staffing profile and all things that make EPS unique through your Co-Curricular contribution.

Your financial support of EPS has allowed us to offer above and beyond the standard curriculum. This includes:

- Quality equipment and resources to continue our wonderful Investigations in P-2 and Inquiry Units in 3-6.
- Additional resources for our Library such as quality books, 3D printers & kindles.
- Specialist Programs; (Performing Arts, PE, SAKG, Music, Indonesian, Prep Wellbeing & STEM)
- Most up to date ICT such as Interactive Whiteboards, printers, iPads, laptops etc.
- Sickbay and a Registered Nurse to attend to our students rather than teachers taking on additional duties.
- Maintaining our beautiful grounds and garden.
- Facilities maintenance with sub-contractors & trades, keeping our school compliant and safe.
- Creative and imaginative resources for our POD and YCDI sheds, allowing our kids the opportunity for imaginative and creative playtimes.

and so much more that makes EPS the standout school that we are!

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,
