Market News

What a great day the Winter OnesieLand Market was! Everyone came out in full force, onesies at the ready. With over 140 onesie wearers and the rain (mostly) holding off until after the market was finished, a great day was had by all! We went through fifteen dozen eggs and almost 6kgs of delicious Dimattina Coffee (thanks again Lamaro's Hotel) with a profit of just over \$6,000 for the school. Thank you to everyone who came out and volunteered, everyone who made cakes and all of you who came along and enjoyed the day. You all contribute greatly to the market atmosphere and the market as a fundraiser. If you'd love to make market volunteering your thing, and want to lock in a 2 hour spot on our regular Volunteer Crew, please email Sarah via volunteer@elwoodmarket.com and lock in your fav spot for a time that suits you. Next up, our spring market on **Saturday September 7**. Rostred on: **1A, 1T, 3C, 5G and 6L**. We welcome anyone outside these grades to volunteer also (if you can spare 2 hours or have some baking skills!) Looking forward to seeing you all there!

In the meantime you can follow us on Facebook ([elwoodcommunitymarket](https://www.facebook.com/elwoodcommunitymarket)) or head to our website to book a stall or volunteer <https://www.elwoodmarket.com.au/>. See you on September 7.

Woodwork Donations

As part of the Grade 6 Leadership Program, we have some Grade 6 students who would like to run a lunchtime woodworking session for the students. They are looking for donations of wood and any tools such as hammers and saws. If you are able to donate to this Grade 6 Leadership program, we have two boxes in the office. We thank you very much for supporting the Grade 6s.

COMPUTER GAMING
PASSION OR ADDICTION?

CBC St Kilda in conjunction with St Mary's Primary School invite parents to an Information Evening about Student Gaming.

Thursday 22nd August 2019
7.30PM to 9.00PM

CBC St Kilda, Logue Hall,
(Entrance C) 11 Westbury St, ST KILDA EAST

Video games are very engaging and creative in their storytelling and offer a thrill packed experience that takes us to places we wouldn't otherwise be able to go. However, students can overstep the line where video games take up too much of their time and this affects them in ways they don't expect.

Approaching problematic gaming with experience-based strategies and current information on the psychology of games, GameAware programs have been the catalyst for change for many families.

Special Guest:
Andrew Kinch
Founder of Game Aware

This is a fully sponsored event for parents and over 18 year-olds, compliments of CBC St Kilda and St Mary's Primary - although bookings are essential via this link, <https://www.trybooking.com/BEKUL>.
