

Coconut balls

Ingredients

- Sweet biscuits digestive or Marie biscuits 500 grams
- 800grams of sweetened condensed milk
- 2 cups of coconut
- 50 grams of cocoa powder
- 260 grams of coconut for rolling

Method

1. Place half a packet of the biscuits at a time into the food processor .
2. Crush the biscuits until they resemble fine breadcrumbs, remove and place into a large bowl, continue until all the biscuits are finished.
3. Place cocoa powder, coconut in the bowl with the biscuits and mix through.
4. Add the condensed milk and stir until well combined.
5. Roll the mixture into small balls then roll the balls into the coconut and place onto platters lined with baking paper.
6. Make sure you keep washing your hands so all the dough does not end up on your hands
7. Continue until all the balls have been rolled, then place in the fridge to set.
