

EPS CAPTAINS

All of our Grade 6 students are leaders in their own right. They are the role models and exemplars of all that Elwood Primary School is about.

All Grade 6 students have a role to play in leading our school...from being leaders in the school grounds, representing EPS at events such as Friday sport, to being supportive, encouraging and friendly buddies to the Preps.

We are proud of all of our Grade 6 students and I look forward to all of their ideas and community projects throughout the year.

When in Grade 5, our students applied for an additional Leadership role. Some roles are traditions at EPS, but many roles are added each year or changed...according to the kids' ideas and requests.

Please meet our Grade 6 Captains.
