

# HEROES OF CHANGE

The Palais Theatre

Wednesday September 4<sup>th</sup>

## COSTUMES

This year our whole school production is based on the theme of Sustainability. A story will be woven around the classes and their songs through superheroes and baddies, protecting and destroying our natural environment.

Your child's class, song, costume theme and costume ideas are attached. You will also see some images of costume inspiration, these are suggestions. Costumes can be made at home or with a trip to the op shop. There is no requirement to purchase an elaborate costume.

The wonderful variety of costumes makes our school production even more spectacular! Thank you to the families who have come up with fun and colourful costumes over the last few productions.

Costumes are NOT gendered. Photos are suggestions. Please wear whatever costume you feel comfortable in within your class theme.

If your costume has a logo eg. T-shirt, please wear it inside-out or backwards so that the logo is not visible.

All children must wear shoes. Please make sure they are comfortable such as runners.

Make up is not required. Hair must be neat. Long hair pulled back from face.

Children need to arrive at The Palais theatre for the evening performance in full costume.

Children will be seated in the audience with their class and teacher when not performing on stage. Please make sure costumes are comfortable to sit in!

Have fun!

If you have any concerns please email Paula - [Russell.paula.p@edumail.vic.gov.au](mailto:Russell.paula.p@edumail.vic.gov.au)
