The ingredients will depend on what's available

Look on harvest table for:

zucchini

celery

(Look out for any other interesting bits to add)

- Wash lettuce + chop into thin strips
- Grate carrot / zucchini
- chop celery finely
- Roughly chop herbs
- Finely chop capsicum.
- Place all together in a bowl + mix well

Dressing

- Mix a small slurrp of oil with yoghurt, lemon juice (if available) or vinegar, chopped garlic, teaspoon mustard + salt + pepper. You may even like to add a teaspoon of honey to dressing
- Mix with salad + serve!
